LEAF CLEAN UP ALERT!

2008 LEAF CLEAN UP FORM

Once again, we are asking you to please choose your **ONE** week for the **FINAL** leaf clean up.

We visit your property **TWICE** during **October** to do **TWO** general leaf clean ups. Because leaves are still falling we do not clean up every leaf, but we'll get 95% of them. Then we have one more chance before the weather turns to do a detailed clean up of all leaves, pine needles, and other plant debris.

But choosing a date has always been difficult. Too early and we don't get all of the leaves. Too late and we risk getting snowed on. So we have created six time slots for you to choose from. Just check one of the boxes, send this form back to us, and we'll do our best to schedule you for that week. As you may guess, the earlier we get the form back, the better we'll be able to accomodate you.

Of course we can use our experience and expertise to choose a week for you. If we do not hear back from you by November 1st, we will choose a week for you.

Please choose **ONE** week for your **FINAL** leaf clean up.
