SNOW UPDATE

DATE: March 26, 2009

TIME: 12:30 PM

Just a quick report... we're all scrambling here.

Snow is really ramping up (as we expected). We are out in full force.

However, our operators all report closed roads, traffic jams and slow transit times. We are trying to maneuver around town as efficiently as possible but movement is very difficult right now.

We will be working through the night and into tomorrow.

Thank you,

Wm Michael Farrell, MBA, MSIB, ISA, APLD
