

# Landscape Consultants & Contractors, Inc.

---

Landscape – Irrigation – Maintenance  
Since 1984

Snow Update 12/04/2011 16:00

NOAA and the NWS has downgraded slightly the severity of the storm. We will continue monitoring the situation but for now we are looking for 3"-7".

We are preparing for bitterly cold temperatures and wind chills below zero overnight. It will be challenging for men and machines.

Local news is predicting another horrible rush hour. Looks like that will be the case.
